FLYER -2

Dear Friends,

We extend a cordial invitation to all of you for the International Conference on Psycho Social Rehabilitation to be held **Bangalore Medical College Auditorium, Bangalore Medical College and Research Institute**, Bangalore, India on 13th & 14th December 2019. (Please note the changes in the **Venue**)

The WAPR has been constantly endeavoring to provide scientific updates to professionals involved in the Psychosocial management of mentally ill persons particularly rehabilitation care. WAPR is the only organization of this kind which encourages participation by other mental health professionals and family or care givers too.

THEME: "EXPLORING INNOVATIONS IN PSYCHIATRIC REHABILITATION"

Bengaluru population is over 10-12 million, well known as the "Silicon Valley of India" and Garden City' because of its role as the leading technology exporter and the presence of abundant greenery. It is also the hub of biotechnology in India and home to numerous educational and research institutions of national importance.

Bengaluru is also the hub of health services. It has been a role model in the development of various health services across the county.

The ready availability of trained manpower combined with a salubrious climate has made it a preferred investment destination and a major economic center of India. Bengaluru enjoys pleasant weather at this time of the year. It is well connected by rail, road and air nationally and internationally. Bengaluru is close to various tourist destinations, place of religious and historical interest.

We request your active participation and invite proposals for presentation of scientific papers, posters, symposia, workshops etc.

We look forward to seeing you in Bengaluru

With warm regards,

Organizing Committee
